Porcellan Co. LLC is a United Arab Emirates based company Abu Dhabi area. Founded in 2006, it plays a key role within the strong local and regional presence of Jamal Al-Ghurair Group (JAG) by decisively re-defining the concept of porcelain tiles.

Its effective sales network reaches key distributors in over 25 countries in the Middle East, Africa, Asia and Europe. Porcellan serves large-scale distribution channels, specialized dealers, retailers and end-users. All the products manufactured by Porcellan match the quality and aesthetic criteria of architects, interior designers and homeowners. There is no doubt that the company will set a new benchmark for porcelain in the United Arab Emirates and worldwide.

It is worth mentioning that the company was established by Jamal Al-Ghurair who is accustomed to the nuances of business and commerce at an early age. He recognized the untapped local and regional market for porcelain tiles and bravely directed his vision into building one of the largest porcelain plants.
