Lahari Laminates know for best quality innovative designs and textures. The company adheres to stringent quality control at every stage of manufacture, right from the stage of procurement of raw materials to finished products.

Established in 1994, Lahari Laminates has been at the forefront of the laminates industry for over 28 years. With a rich legacy of expertise and innovation. Our state-of-the-art manufacturing unit, located in Raipur, Chhattisgarh, is equipped with cutting-edge technology and boasts a production capacity of over 10 lakh laminate sheets per year. our vision extends beyond being a market leader. We aspire to be India's premier and most sustainable laminate manufacturing company. One of our core strengths lies in our unmatched expertise in HPL (High-Pressure Laminates).

With pan-India operations, Lahari Laminates has a strong presence in major cities and towns across the country. We believe in pushing the boundaries of creativity and design, whether it's for residential, commercial, or institutional spaces, Lahari Laminates offers a vast array of options to suit every style and requirement.
