Print A Wallpaper is India's first & leading wallpaper printing store. It has the largest design collection of wallpapers of 5,000 plus designs across 33 categories, providing customizable options in design, size and material, offering the very best in quality wallpaper. With delivery across 30 countries, a robust installation network spanning all metros across India and superior production capabilities, Print A Wallpaper is a dependable and preferred provider of wallpaper in India.

Be it elegant homes, eclectic offices, colorful schools, vibrant cafes or trendy gyms, Print A Wallpaper has wallpaper designs to suit every customer's needs. The designs range across categories like Backgrounds, Food & Drinks, Nature, Travel, Cityscapes, and Outer Space and there is also the option of creating your own wallpaper online.

Print A Wallpaper is supported by Eye Candy Visuals Pvt. Ltd., an award winning design and retail production house established in 1995. A leader itself in the large format printing business, it has worked with the best brands in India and has become a benchmark for service and quality.

Experience

Print A Wallpaper has been a pioneer in the online wallpaper printing industry, it was the first online wallpaper store in India and after 4 years of operations continues to be a leader in India.

We have processed more than 2,000 orders in this span and printed more than 100,000 sq ft of wallpaper! In the process we have built up an immense network of happy and satisfied customers who keep coming back to us.

Print A Wallpaper has over the years identified the best vendors and support partners to produce and deliver the best quality wallpaper in India. We offer FREE shipping across all locations in India and have an excellent installation team working in all major cities and metros of India.

We are setting standards for quality by offering a 5 year standard warranty on the colors which is a first, along with the assurance of the wallpaper being PVC Free, Scratch Resistant and Fire Resistant. In order to make the wallpapers safe for children and elderly, our materials have the Green Guard Certificate, School Certificate and Indoor Air Quality Certification.

No one knows wallpaper like Print A Wallpaper does!
